## PART.41: HOW ABOUT SOME KITCHEN PLAY!?

THIS FLUID COMES FROM THE VAGINA

HIGH GLYCERIN (3-10cm)

SEMI-GLYCERIN (3-8, 2cm)

BUTTERFLY GLYCERIN (3-8, 5cm)

SEXUAL FLUID (3-8, 5cm)

GLYCERIN RECEPTION (13-200cm)

ABOUT 2000 OF SEXUAL FLUID IS IDEAL FOR 15-20 MINUTES OF SEXUAL ACTIVITY FROM WOMAN'S DATA DATA (HUMAN).

THAT'S ALL (3-8, 5cm)

IT HELPS A BIT FOR HER BECAUSE THE SEX FLUIDS THAT ARE SUPPOSED TO BEHAVE AS LUBRICATION AREN'T ENOUGH. I SAID IT FEELS LIKE IT'S STUCK BECAUSE OF THE RUBBER CONDOM.

When they start having sex, women develop and start enjoying masturbation more as well.

O-  
OH!!

There are different variations of the missionary position. It may seem like a basic position but it's surprisingly deep.

I HAVE TO ADD SOME VARIETY TO IT.

EVEN IF THAT IMPART THE CASE, I DON'T HAVE MUCH TECHNIQUE...

BUT LEAVING JUST THE MISSIONARY POSITION SEEMS TO LACK SOMETHING...

### #3 High hips position

The woman raises both legs into the air.

Penetration is deep but the clitoris is not stimulated so the woman doesn't really enjoy it.

### #2 Stretched out position

The woman stretches out both legs and the man straddles her.

Penetration is shallow, but the penis is tightly spaced and the clitoris is strongly stimulated.

### #1 Best position

The woman bends her knees and hips.

Penetration is deep so this is the most pleasurable position for both partners.

AAH...  
HYAAAA!

OH NO...  
I GAGGED  
IN A LOUD  
VOICE

NEXT...  
PULL IT  
OUT ALMOST  
COMPLETELY

LEGS AND  
TWIST MY  
HIPS ♡

WAAAA ♡  
YURA-SAN'S  
REACTION IS  
DIFFERENT  
FROM USUAL! I'M GLAD I  
TRIED THIS ♡

BIKUN

You should match your thrusts to the strength of your woman's clitoris

— These are words from the 2000+ year-old Indian sex manual "Kama Sutra"

You need effort to be able to pull these off

- 81 Move only the top of the penis in and out of the vagina.  
⇒ Upasutyanukula
- 82 Hold the base of the penis and make circular motions in the vagina.  
⇒ Manohasana
- 83 Lower your hips and stroke the top part of the vagina with the penis.  
⇒ Pura
- 84 Raise your hips and stroke the bottom part of the vagina with the penis.  
⇒ Akamarasana
- 85 Thrust the penis up and then pause for a moment.  
⇒ Prasthana
- 86 Thrust repeatedly without withdrawing the penis.  
⇒ Nighana
- 87 Thrust strongly into the vagina from top to bottom.  
⇒ Bhadrasthana
- 88 Thrust strongly into the vagina from left to right.  
⇒ Prithasthana
- 89 Thrust the penis in small motions as many times as the woman wants.  
⇒ Chingasthana

The same pulse-movement techniques set out in the "Kama Sutra" apply to sex even today

EDITED AFTER THE WORDS OF THE "KAMA SUTRA" THE ORIGINAL TRANSLATION BY YOU AND YOURSELF MAY VARY, YOUR PULSATION MAY NOT VARY

IT FEELS

## CHAPTER ONE

Every child has a story with  
its beginning in a very long

## Futari Ecchi ch50

Hokey for cleavage?

God damn, Yass was looking hot in that chapter! And then there was Maroto being a horny bastard as usual lol

Anyway, here is the final chapter of volume 5 (the rest of which was scanned by Oshin-manga) sorry for releasing it after chapter 51.

Oh yeah, WE HAVE A NAME! As you may have noticed if you downloaded our last chapter (51) from mangasupdates, we are called StopTzumo Ecchi Fans, or [STEF] for short.

You may have noticed that some pages have very jagged straight lines (see the spoof page I made) - this is due to the quality of the news. I've tried my best to reconstruct some of those lines, but it was not possible (or at least not worth spending the time) to reconstruct every line pixel perfect.

If you have any comments, please visit us at [www.steptzumo.com](http://www.steptzumo.com), you can find us in the Futari Ecchi sub-forum.

As usual, this is a free scanlation, scanned by fans for fans. If you have paid for this chapter, you've been ripped off!  
This chapter is NOT to be hosted on manuforian, we don't like thieves or scammers and we don't see why they should profit from our work.

We hope you have enjoyed our work.
